Languages

French : Native
English : C1 / Fluent
Spanish : Fluent
Russian : Notions

Interests and Achievements

Sports

Athletics, Triathlon and Orienteering for 10 years, Participation in national and international races

Hobbies

Drawing, Piano, Cinema, Photo, Video editing, Music production, Video games, Board games

Achievement

National Maths competitions (Top 1 %)

First Aid Certification (PSC1)
Voltaire Certificate, validated with the professional level of mastery of the French language

Data Scientist / Engineer

🎓 Formations

Engineer's degree – Specialty Artificial Intelligence **2017 - 2022**
ISEN (Engineering school of high and digital technologies), Lille
🌐 *International Track and gold ambassador*

High school Diploma obtained with honors **May 2017**
Saint-Adrien La Salle, Villeneuve d'Ascq

👥 Work Experiences

Soitec – IT and Data responsible **Feb 2023 – Feb 2024**
Consultant, Hasselt - Belgique
Improvement of the infrastructure, architecture, network and database
AI Defects classification on wafers and developpement of applications
Daily technical support for engineers and technicians

Goconcept – Data engineer **Nov 2022 - now**
Intern Consultant, Lille
Co-creation of Quest
Ambassador and Creation of data Trainings for DeepTalents

Gridpocket – Data scientist and Data engineer **May 2021 – Sep 2022**
Internship, Sophia Antipolis
Energy profile prediction with load curves and statistical studies
Creation of a BI application
Work on Smart disaggregation of consumption (AI)
Integration of a workflow

💻 Computer Skills

🐍 **Python** - Main language : Pandas, Numpy, OpenCV, Matplotlib, Plotly, Django, Dash, Selenium , BS4, networkX

🧠 **AI** - Neural network Design with Tensorflow, Pytorch, sklearn

🔧 **Network, Infrastructure, Architecture** : Design and improvement for Soitec Belgium. Use of Airflow and Circle CI for Gridpocket

💾 **Github, Mongo DB, MySQL, Firebase, PostgreSQL**

☁ **AWS , Azure**

🌐 **Web development : HTML / CSS / PHP** - lot of side project

🎮 **Unity / C# / Java** - 3D programming and creation of various games

👤 **Office 365, Google Workplace, Jira**

🌐 International Experiences

Pacific : 2 years in French Polynesia, 2 years in New-Caledonia

New York : 1 language study trip in host family (2 month)

England : 5 language study trips

Spain : 2 months as an au pair
